MSSNY's "Physician Advocacy Day" will be held on Wednesday, March 7th in the Lewis Swyer Theatre in the Egg located at the Empire State Plaza, Albany NY.

Join your colleagues from all around New York State and come to MSSNY's Physician Advocacy Day to speak with your legislators and key policymakers to ensure they're making the right choices for New York's physicians and their patients.

Join us to urge your legislators to:

- Reduce excessive health insurer prior authorization hassles that needlessly delay patient care;
- Reject inappropriate scope of practice expansions;
- Reduce the high cost of medical liability insurance
- Reject burdensome mandates that interfere with patient care delivery
- Reject the enablement of corporate owned retail clinics
- Preserve opportunities for our medical students and residents to become New York's future health care leaders

A brief luncheon to which members of each House are invited to speak with their constituents will follow the morning program. County Medical Societies will be scheduling afternoon appointments for physicians to meet with their elected representatives.

If you have any questions/comments, please contact Carrie Harring at charring@mssny.org.

Please contact your county medical society to coordinate
Legislative appointments for physicians to meet
with your elected representatives on that day.
