2011 National Advocacy Conference | February 8-10, 2011 | Washington, D.C.

ATTENTION: NEW DATES!

Join your colleagues and the American Medical Association (AMA) February 8–10, 2011 in Washington, D.C., at the National Advocacy Conference (NAC). **Due to the newly released Congressional calendar, we have moved the meeting to dates that Congress will be in town.**

Attending the NAC helps position you as an advocate for patients, the medical profession and the future of health care. At the conference, you will hear from political insiders, industry experts and members of Congress on current efforts being made in health system reform refinement and implementation, and take part in discussions that will help shape the future of the AMA's advocacy efforts.
